**REQUEST FOR PROPOSALS
AUTOMATIC METER INFRASTRUCTURE SYSTEM
GUM SPRINGS WATER SYSTEM IMPROVEMENTS
ARKADELPHIA, ARKANSAS**

The City of Arkadelphia, Arkansas, is accepting proposals for new water meters and an Automatic Meter Infrastructure (AMI) System for the Gum Springs Water System Improvements. Proposals will be received at Town Hall, 700 Clay Street, Arkadelphia, Arkansas 71923 until 1:00 PM local time on December 17, 2020, and then at said office publicly opened and read aloud.

The AMI project generally consists of furnishing new water meters, encoders, cellular endpoints, and boxes for a fully functional automatic meter infrastructure system. Installation of water meters, boxes, and encoders will be under a separate contract.

The request for proposal documents may be obtained at the office of Crist Engineers, Inc., located at 205 Executive Court, Little Rock, AR 72205, 501-664-1552 or www.cristengineers.com.

All proposals shall be submitted in a sealed envelope addressed to the City of Arkadelphia Water and Sewer Utilities, 700 Clay Street, Arkadelphia, Arkansas 71923. All proposals shall be plainly marked on the outside of the envelope that it is a proposal for "Water Meters and AMI System" and the name of the company submitting the proposal.

The City of Arkadelphia reserves the right to waive any informalities, reject any and all proposals, and accept the most advantageous proposal. No Bidder may withdraw his bid within sixty (60) days after the actual date of the opening thereof.
