Re: Downtown Improvements, Phase 1
BID TABULATION

Dear Vickie:

Enclosed is a Bid Tabulation as received on Tuesday, March 08, 2022 for the above referenced project. I have also enclosed a copy of the bid for your file. GCC Enterprises Inc. was the only bidder that submitted a bid proposal.

The bid contains all acknowledgements and required bid enclosures with several summation errors. However, Add Alternative No. A-2 and A-3 were not completed by the bidder as required and a condition of the bid submittal. Therefore, it is my recommendation that the City of Broken Bow deem this bidder non-responsive.

Please contact me if you have any questions or need additional information.

Sincerely,
CRIST ENGINEERS, INC.
