

ADDENDUM NO. 2

September 18, 2026

ADDENDUM NO. 2

DATE: September 18, 2026

PROJECT: HWY 5 Water and Sewer Relocations
Cabot WaterWorks
Cabot, Arkansas

BID DATE: September 22, 2026, 1:00 PM

This Addendum forms a part of the Contract Documents and modifies the original documents provided to Bidders, as noted below. Acknowledge receipt of this Addendum in the space provided in the BID FORM. Failure to do so may subject the Bidder to disqualification.

The Contract Documents for the above Project are hereby amended as follows:

ITEM NO. 1. CONTRACT DOCUMENT – C-410 Bid Form

- A. Modification(s) to this contract document as shown in Addendum No. 2 – C-410 Bid Form, attached hereto.
 - a. Quantity change to Bid Item No. 22 from 107 LF to 54 LF
 - b. Insert Bid Item No. 22.A “20-INCH BORED STEEL ENCASEMENT,” with a quantity of 53 LF

ITEM NO. 2. SPECIFICATIONS – SECTION 012200

- A. Insert “W. Item No. 22.A” on Page 6 of Section 012200, Measurement and Payment.
 - a. “Item No. 22.A – 20-INCH BORED STEEL ENCASEMENT – Installation of 20-inch bored steel encasement shall be measured and paid for by the linear foot of encasement pipe as shown in the Bid Form and as finally installed and approved by the Engineer, with measurement taken as an end-to-end straight-line measurement of the encasement in place. The Unit Contract Price shall include full compensation for all labor, supervision, tools, materials, equipment, steel encasement pipe, directional boring or jack-and-bore operations, bore pit excavation, shoring, dewatering, casing installation, field welding, cutting, fitting, joint preparation, casing spacers, end seals, pressure grouting of annular voids where required, concrete support blocking,

ADDENDUM NO. 2

September 18, 2026

excavation and backfill of pits and trenches, disposal of excess materials, surface restoration, settlement repairs, testing, permit compliance, traffic control, utility protection, and all other work necessary to furnish and install the bored steel encasement complete, functional, and in place. Installation of the carrier pipe within the encasement shall be measured and paid for under a separate bid item.”

- B. Re-letter all Measurement and Payment items following the newly inserted Item “W” by advancing each item designation one letter alphabetically. Accordingly, former Item W shall become Item X, and so forth throughout Section 012200, 1.3: MEASUREMENT AND PAYMENT PROCEDURES.

END OF ITEMS

All other provisions of the Contract Documents remain unchanged. Acknowledge receipt of this Addendum on the BID FORM.

CRIST ENGINEERS, INC.

President

BID FORM**CABOT WATER WORKS
CABOT, ARKANSAS****WATER AND SEWER RELOCATIONS****TABLE OF CONTENTS**

	Page
ARTICLE 1 – Bid Recipient	1
ARTICLE 2 – Bidder’s Acknowledgements.....	1
ARTICLE 3 – Bidder’s Representations	1
ARTICLE 4 – Bidder’s Certification	2
ARTICLE 5 – Basis of Bid.....	3
ARTICLE 6 – Time of Completion	7
ARTICLE 7 – Attachments to this Bid	7
ARTICLE 8 – Defined Terms.....	7

ARTICLE 1 – BID RECIPIENT

1.01 This Bid is submitted to:

**Cabot Water Works
One City Plaza, Suite B
Cabot, Arkansas 72023**

1.02 The undersigned Bidder proposes and agrees, if this Bid is accepted, to enter into an Agreement with Owner in the form included in the Bidding Documents to perform all Work as specified or indicated in the Bidding Documents for the prices and within the times indicated in this Bid and in accordance with the other terms and conditions of the Bidding Documents.

ARTICLE 2 – BIDDER’S ACKNOWLEDGMENTS

2.01 Bidder accepts all the terms and conditions of the Instructions to Bidders, including without limitation those dealing with the disposition of Bid security. This Bid will remain subject to acceptance for 90 days after the Bid opening, or for such longer period of time that Bidder may agree to in writing upon request of Owner.

ARTICLE 3 – BIDDER’S REPRESENTATIONS

3.01 In submitting this Bid, Bidder represents that:

A. Bidder has examined and carefully studied the Bidding Documents, and any data and reference items identified in the Bidding Documents, and hereby acknowledges receipt of the following Addenda:

<u>Addendum No.</u>	<u>Addendum, Date</u>
_____	_____
_____	_____
_____	_____
_____	_____

B. Bidder has visited the Site, conducted a thorough, alert visual examination of the Site and adjacent areas, and become familiar with and satisfied itself as to the general, local, and Site conditions that may affect cost, progress, and performance of the Work.

C. Bidder is familiar with and has satisfied itself as to all Laws and Regulations that may affect cost, progress, and performance of the Work.

D. Bidder has carefully studied all: (1) reports of explorations and tests of subsurface conditions at or adjacent to the Site and all drawings of physical conditions relating to existing surface or subsurface structures at the Site that have been identified in the Supplementary Conditions, especially with respect to Technical Data in such reports and drawings, and (2) reports and drawings relating to Hazardous Environmental Conditions, if any, at or adjacent to the Site that have been identified in the Supplementary Conditions, especially with respect to Technical Data in such reports and drawings.

- E. Bidder has considered the information known to Bidder itself; information commonly known to contractors doing business in the locality of the Site; information and observations obtained from visits to the Site; the Bidding Documents; and any Site-related reports and drawings identified in the Bidding Documents, with respect to the effect of such information, observations, and documents on (1) the cost, progress, and performance of the Work; (2) the means, methods, techniques, sequences, and procedures of construction to be employed by Bidder; and (3) Bidder's safety precautions and programs.
- F. Bidder agrees, based on the information and observations referred to in the preceding paragraph, that no further examinations, investigations, explorations, tests, studies, or data are necessary for the determination of this Bid for performance of the Work at the price bid and within the times required, and in accordance with the other terms and conditions of the Bidding Documents.
- G. Bidder is aware of the general nature of work to be performed by Owner and others at the Site that relates to the Work as indicated in the Bidding Documents.
- H. Bidder has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Bidder has discovered in the Bidding Documents and confirms that the written resolution thereof by Engineer is acceptable to Bidder.
- I. The Bidding Documents are generally sufficient to indicate and convey understanding of all terms and conditions for the performance and furnishing of the Work.
- J. The submission of this Bid constitutes an incontrovertible representation by Bidder that Bidder has complied with every requirement of this Article, and that without exception the Bid and all prices in the Bid are premised upon performing and furnishing the Work required by the Bidding Documents.

ARTICLE 4 – BIDDER'S CERTIFICATION

4.01 Bidder certifies that:

- A. This Bid is genuine and not made in the interest of or on behalf of any undisclosed individual or entity and is not submitted in conformity with any collusive agreement or rules of any group, association, organization, or corporation;
- B. Bidder has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid;
- C. Bidder has not solicited or induced any individual or entity to refrain from bidding; and
- D. Bidder has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the Contract. For the purposes of this Paragraph 4.01.D:
 - 1. "corrupt practice" means the offering, giving, receiving, or soliciting of anything of value likely to influence the action of a public official in the bidding process;

2. “fraudulent practice” means an intentional misrepresentation of facts made (a) to influence the bidding process to the detriment of Owner, (b) to establish bid prices at artificial non-competitive levels, or (c) to deprive Owner of the benefits of free and open competition;
3. “collusive practice” means a scheme or arrangement between two or more Bidders, with or without the knowledge of Owner, a purpose of which is to establish bid prices at artificial, non-competitive levels; and
4. “coercive practice” means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the bidding process or affect the execution of the Contract.

ARTICLE 5 – BASIS OF BID

- 5.01 Bidder will refer to Section 012200 Measurement and Payment prior to preparing the bid schedule.
- 5.02 Bidder will complete the Work in accordance with the Contract Documents for the following price(s):
